

Project Description

The Matanuska-Susitna Borough (MSB) is initiating the Bogard Road Extension East project to extend Bogard Road from near Trunk Road to the Glenn Highway. The purpose of this project is to provide an additional east-west corridor to facilitate east-west travel across the core area of the Borough.

Why Should You Attend This Meeting?

The MSB invites you to attend the third public meeting for the Bogard Road Extension East project. The project team will present the results of the Preliminary Engineering Report (PER), which evaluates two alternative alignments. Public comments on the PER are being accepted through August 2, 2007. After the public meeting and comment period, the MSB Assembly will deliberate the findings of the report and determine the preferred alternative.
