Notice 9
Oct. 24, 2011

OPEN: 40TH AVENUE FROM LAUREL STREET TO WELLNESS STREET has been OPENED!!! Be alert to the new traffic pattern.

The majority of the work has been completed on 40th Avenue between Lake Otis Parkway and Piper Street. Some work remains in this new section of roadway. Intermittent roadway and/or pedestrian facility closures are anticipated next year to complete the remaining work.

The subsurface work has been completed on 40th Avenue between Piper Street and Dale Street. Expect an extended closure between Piper Street and Wellness Street next year to complete the subsurface work between Dale Street and Wellness Street and surface improvements between Piper Street and Wellness Street. Work will include asphalt removal, roadway excavation and backfill, curb and gutter, permanent asphalt, pedestrian facilities, raised crosswalk and choker, retaining wall, pocket park, fencing and landscaping.

This will be the last email update for the 2011 construction season. Email updates will resume next spring when work on 40th Avenue begins.
