

West  
Dowling Road

# Public Meeting No. 3

Tuesday, April 20, 2010 - 6:00 to 8:00 p.m.  
Northern Lights ABC Elementary School  
2424 East Dowling Road

The State of Alaska Department of Transportation and Public Facilities invites you to the third public meeting for the West Dowling Road project (Old Seward Highway to C Street). This public meeting will be held in an open-house format and will provide an opportunity for the public to speak with the design team, review the design plans and construction schedule. The design is currently at the 95% completion stage and preparations are being made to underground the overhead distribution lines and demolish the structures within the new right-of-way. This work will be substantially completed in 2010 with the road construction following in 2011.

The West Dowling Road Phase I project proposes a four-lane urban section with a raised median and left-turn pockets at Austin Street and Potter Drive. The corridor will also receive new street lighting, drainage structures, landscaping, and improved pedestrian and transit accommodations.

To submit a question, comment or concern, contact Alison Lohrke at:  
DOWL HKM – 4041 B Street, Anchorage, Alaska 99503 – Phone 907-562-2000
